Egg Sharing Price list
IVF Egg Sharing with anonymous recipient

COMPLETE PACKAGE S1  £1500

An all-inclusive package for women who meet the egg donor criteria, need IVF or ICSI treatment and choose to share their eggs with an anonymous recipient, offering great value IVF, peace of mind and no hidden costs.

Fees include:
Medical consent treatment consultation and nursing consultations
Screening tests for sharer and male partner if applicable
Counselling
Stimulation cycle for sharer
Semen preparation of partner sperm if applicable
Egg retrieval
Attempted fertilisation of at least 4 eggs
Embryo transfer
Pregnancy scan or follow up appointment within 3 months

Also included:
All drugs for sharer
ICSI if required
Blastocyst culture of embryos
Embryo freezing and storage for one year
Frozen embryo transfer if not pregnant from first cycle (to be taken within 6 months)
HFEA Fee £80

Fees exclude:
Donor sperm if required £300
Embryoscope™ £700

Cancellation Policy:
Sharer withdraws consent to donate after medical consent treatment consultation, but prior to stimulation £500 refund
Cycle cancelled after stimulation due to insufficient response to stimulation £200 refund
No eggs collected or failed fertilisation no refund
Sharer withdraws consent to donate after stimulation no refund and full cost of IVF/ICSI plus drugs payable

A minimum of 8 eggs is required for the donation to take place. If less than 8 eggs are retrieved, the sharer keeps all the eggs and the donation is cancelled (at no extra cost)

There is no refund if any part of the complete package is not used
**IVF Egg Sharing with anonymous recipient**
