

Private patients are charged £195 for their initial private medical consultation. This is collected by our private administrative team and will not be deducted from any Complete Fertility Centre packages.

When booking a medical consent treatment consultation as part of a treatment package patients are required to pay a non-refundable deposit of £300. An invoice for the package balance will be provided at the nurse consult with terms of payment within seven days.

IVF and IUI cancellation policy

IUI cycle cancelled prior to stimulation 75% refund. IUI cycle cancelled after stimulation and prior to insemination 50% refund.

IVF cycle cancelled after stimulation and prior to egg retrieval 75% refund. IVF cycle cancelled after egg retrieval and prior to embryo transfer 10% refund (FET after freeze all not applicable).

IVF cycle converted to IUI cycle IUI fee of £1050 due after full refund of IVF.

Counselling

Up to six sessions of counselling are included whilst you are receiving treatment at Complete Fertility and for up to six months after your last treatment cycle. Additional sessions are available at a cost of £65 per session.

All patients can access our free monthly support group

Administrative fees

Failure to attend consultation appointments if less than 24 hours notice given
Medical consult £100
Nurse appointment £75
Counselling appointment £50

Terms

The full cost of package S2 and ICSI if required is payable at your medical consent treatment consultation. Donor sperm is payable upon reservation.

Complete Fertility reserve the right to take payment from supplied credit or debit card details in the event of non-payment of invoices by the due date.

Prices are subject to change without notice. Package prices cannot be discounted. There will be no refund if elements of the package are not used.

Single and Same Sex Women Price list

FREE IVF egg sharing with an anonymous recipient S1

A free egg sharing package that involves donating half of your eggs produced during your IVF treatment to a woman who needs eggs so that you both have a chance of becoming pregnant.

In return for your amazing and generous act of sharing your eggs and to say thank you, you can benefit from free IVF.

This may appeal to you if you are not eligible for NHS funded Treatment or you have had an unsuccessful NHS funded cycle. Eligibility criteria apply.

Fees include:

Medical consent treatment consultation and nursing consultations
Screening tests for sharer and male partner if applicable
Up to 6 counselling sessions
Stimulation cycle for sharer
Semen preparation of partner sperm if applicable
Egg retrieval
Attempted fertilisation of at least 4 eggs
Embryo transfer
Pregnancy scan or follow up appointment within 3 months
Blastocyst culture of embryos
All drugs for sharer
HFEA Fee £80

Extras if required:

Donor sperm: 1 cycle £850, 3 cycles £1700
(use of donor sperm may require ICSI, but there is no additional charge for this)
Half price ICSI if required £600
Half price embryo freeze and storage for 1 year £275
Half price frozen embryo transfer if not pregnant from 1st cycle and within 6 months of treatment £725
Embryoscope £350

Cancellation Policy:

Cycle cancelled after stimulation due to insufficient response to stimulation or no eggs collected
ICSI fee *full refund*
Failed fertilisation *no refund*

Sharer withdraws consent to donate after stimulation *no refund and full cost of IVF and drugs payable*

A minimum of 8 eggs is required for the donation to take place. If less than 8 eggs are retrieved, the sharer keeps all the eggs and the donation is cancelled (*at no extra cost*)

There is *no refund* for any unused donor sperm booked

IVF egg sharing with a same sex partner or known recipient and an anonymous recipient S2 £500

A highly affordable all-inclusive egg sharing package for women in a same sex relationship who wish to donate half their eggs to their partner and the other half to an anonymous recipient.

This package is also suitable for women who have found their own egg donor who is willing to share half her eggs with an anonymous recipient. Eligibility criteria apply.

Fees include:

Medical consent treatment consultation and nursing consultations
Screening tests for donor, known recipient and male partner if applicable
Counselling
Stimulation cycle for donor
Semen preparation of partner sperm if applicable
Egg retrieval
Attempted fertilisation of at least 4 eggs
Scans and preparation for known recipient
Pregnancy scan or follow up appointment within 3 months
All drugs for donor and known recipient
Blastocyst culture of embryos
HFEA Fee £80

Extras if required:

Donor sperm: 1 cycle £850, 3 cycles £1700
(use of donor sperm may require ICSI, but there is no additional charge for this)
Half price ICSI if required £600
Half price embryo freeze and storage for 1 year £275
Half price frozen embryo transfer if not pregnant from 1st cycle and within 6 months of treatment £725
Embryoscope £350

Cancellation Policy:

Donor withdraws consent to donate after medical consult, but prior to stimulation *no refund*

Cycle cancelled after stimulation due to insufficient response to stimulation or no eggs collected
ICSI fee *full refund*
Failed fertilisation *no refund*

Donor withdraws consent to donate to anonymous recipient after stimulation *no refund and full cost of IVF known recipient cycle plus drugs payable*

A minimum of 8 eggs is required for the donation to the anonymous recipient to take place. If less than 8 eggs are retrieved, the known recipient keeps all the eggs and the donation to the anonymous recipient is cancelled *at no extra cost*

There is *no refund* for any unused donor sperm booked

There is *no refund* if any part of the S2 package is not used
